2535 Arthur Kill Road, Staten Island, NY 10309 - 718-448-3210

## **FOR IMMEDIATE RELEASE:**

### ***HCA Opens New Orthopedic Walk-In Facility***

Orthopedic Associates, a division of Healthcare Associates in Medicine, P.C., is proud to announce the official opening of our new orthopedic office facility at **3333 Hylan Boulevard, Staten Island, NY 10306**. This new location provides **orthopedic walk-in service** for patients of the local community. Patients with a new injury are encouraged to come right into the office for care - an appointment is not necessary.

This multi-level facility offers patients a wide array of quality orthopedic care. This includes **X-rays**, a **Joint Reconstruction Center**, a **Hand Center** and our **Sports Medicine Center**, each of which are housed in their own, distinct areas. There's also a **Foot and Ankle Center** (on the second floor) as well as an **in-office surgical suite**. Board-certified orthopedic physicians **John P. Reilly**, **Joseph J. Giovinazzo** and **Vincent Ruggiero** all treat patients at this location. Later this summer, three other doctors will be added to the roster. Five orthopedic physician assistants also see patients here.

**This facility is currently open six days a week (Monday through Friday from 8 AM to 8 PM and Saturday from 9 AM to 4 PM).** A grand opening will take place in early June.

The addition of these new services serves as a continuation of the stellar care our practice has been providing New Yorkers for decades. The orthopedic care our practice has been offering the local community is unparalleled. It is our commitment to comprehensive orthopedic care that has led to our stellar reputation as one of the top orthopedic practices in the New York metropolitan area. It is with this same commitment that we now offer our patients additional flexibility and availability to visit our facilities.

For more information on our new facility visit us online at **HCA-SI.com**, follow us on **Twitter (@HCASI)** and "like" us on **Facebook (Healthcare Associates in Medicine)**. For media inquiries, please contact Matt Richardson (PR@hca-si.com/718-448-3210, ext. 184) or Diane Peruggia (DPeruggia@AOL.com/917-770-0970).
